

East Thames Group choose Camelot

I would not hesitate to recommend the service to my colleagues

"I would like to offer my compliments to Camelot for the service that has been provided, and should I have similar requirements in the future, I would not hesitate to get in touch, and likewise would recommend your service to my colleagues."

Dan Lincoln | East Thames Group

Project

Care Home pending sale and redevelopment

Problems

- Site at high risk of illegal occupation following move of residents
- Needed a cost effective security solution that would maintain value of site prior to sale
- Local residents feared empty site would have detrimental effect on community

The Camelot solution

- Strategic placement of 6 Guardians
- Remedial, internal maintenance work carried out by Camelot
- Minor maintenance work and cleaning of site carried out by Live-in Guardians.

Results

- Cost effective & pro-active Live-in Guardian security solution implemented.
- Value of site maintained, Guardians provide access for viewings
- Two week notice period to hand over vacant property ready for redevelopment
